Dated:-21/05/2026

In continuation to the Advertisement No. 11/2026 dated 18.04.2026, it is informed to the candidates of **Post Codes 26043 {Pharmacy Officer (Allopathy)}** that an opportunity is being provided to make corrections in the **Online Recruitment Applications (ORA)**.

Candidates can verify and correct errors or omissions in their applications by **login** via the HPRCA official website. The correction window opens against their Online Recruitment Application (ORA). Before making corrections, candidates must verify their application number, ensure their OTR profile is updated, and confirm they meet the eligibility criteria. The correction option becomes available only after paying the correction fee. After payment, the editable ORA form will appear, allowing candidates to make necessary changes and resubmit within the correction window. If the corrected application is not resubmitted before the window closes, the original application will be considered. Once resubmitted, further corrections can only be made within the same window by paying an additional fee each time.

The **correction window** shall remain open from **22.05.2026 to 24.05.2026 (till 11:59 PM)**. No request for modification or rectification after this period shall be entertained under any circumstances.

The applicants are advised to carefully review their details to ensure the accuracy of information. The responsibility for correctness of information rests entirely with the candidate only.
